

KROEKERS in BOLIVIA

MISSIONARIES TO THE MENNONITES OF BOLIVIA

August-October 2024

Dear Praying Friends,

Thank you for your faithful prayer and financial support!

One year!

August 23, 2024 marked one year of being in Bolivia! Time has gone by so fast. In this time we have moved twice, started with Spanish lessons, started a church, started outreach in our community and more! We had a great time as a family celebrating our first year in Bolivia!

Outreach

We just completed our first time going through our village with door to door soul-winning. Please pray as we plan our next attempt. Please also pray as we are looking at expanding our outreach with a city street preaching ministry. We have been able to have some good talks with the people in our village and have had some of them over for supper and birthday parties. We have also been able to reach out to others with the Gospel by offering rides to those on the way to the clinic in our village. We also were able to connect better with one young lady that has been coming to church by giving her a ride to go visit relatives in a nearby colony.

Family

Avery, Leanne, and Renee all celebrated a birthday and enjoyed having people from the village over for their birthday parties. Some of these they met for the first time. It has been a great way to connect with families. Jairett received his Canadian citizenship and his Canadian passport! The children are so excited to soon be done with school and are looking forward to their summer break this December through January! We ordered new school books today and are excited to have a missionary family on furlough bring them back for us. We are doing well and advancing in our Spanish courses and looking forward to a break in December. We had a great time visiting with another missionary family and had supper together.

Church

We have been faithfully holding services on Sundays and Thursdays with 15 new visitors in attendance. Please pray for souls to be saved, baptized, and submitted to the sound preaching from the Word of God. We are committed to preaching the Word, and the singing of hymns. We are preaching through the book of John and going through a discipleship course. Please pray that we would remain faithful and for fruit!

Love, labourers together,

The Kroeker Family
